President Falconer,

Dear Sir,

I am instructed by the Athletic Directorate, University of Toronto to request from the Board of Governors the return of 20% of our gross gates this Fall, being 50% of amount paid over to the Bursar.

I was instructed to do this at a meeting held Oct. 31st, but as the McGill gate was larger than was expected it was felt that we might be able to manage alright.

However as five Intercollegiate fixtures were held or are to be held outside of Toronto this year our expenses are thereby much increased. Also the weather for hockey has held back receipts, and as it is necessary for us to keep our credit in

UNIVERSITY GYMNASIUM,

good shape, I was instructed at a meeting held this evening to make the above request. Should there be a balance to our credit on the year's work — which may come from large "hockey" receipts — same will be paid over to your Board on our Grand Standindebtedness.

Yours sincerely
